

# THE BARN AT WESLEYAN HILLS AT A GLANCE

HISTORIC NON-TRADITIONAL RUSTIC

The Barns at Wesleyan Hills is our historic English style barn, raised in 1872. This venue provides a truly unique and enchanting backdrop to your entire wedding day.

## What Our Couples Have To Say:

*"The venue itself is such a unique space that can be turned into the most elegant, romantic setting, and the grounds on top of that are perfect for pictures. I would 100% recommend The Barns for anyone that wants to have a unique and absolutely perfect wedding. I wish I could relive my wedding day over and over, it was perfection."* - Mia D. on The Knot
